MESSAGE FROM THE SHERIFF

As I begin my second year as Sheriff, I wanted to take a moment to reflect back on my first year in office. It was with great honor and humility I entered into my duties as the Door County Sheriff January 7th, 2019 and it's been my honor to serve you as Sheriff of Door County.

It's been a busy year; we had some longtime members of the Sheriff's Office retire, staff promotions, and welcoming new members to the Sheriff's Office. As an organization we put a high value on our guiding principles of Integrity, Professionalism, Fairness and Teamwork while serving our community each and every day.

I'm a firm believer in "It Takes a Community". Our organizations continued pledge to the citizens of Door County is to continue working collaboratively with community partners on issues facing our community so Door County remains a safe place to live, work, visit and raise our families.

I'm truly blessed to have the opportunity to lead an organization full of dedicated men and women in a community who supports their law enforcement officers. I want to take this opportunity to thank the staff for their sacrifice and service to our community.

Also, thank the community for your continued support. Without the partnerships we have we couldn't do what we do. I'm excited to see what 2020 will bring for the Sheriff's Office and our community partnerships.

The purpose of our annual report is to provide an overview of what's happening at the Door County Sheriff's Office and within our community.

Sheriff Tammy

**CHIEF DEPUTY
PATRICK MCCARTY**

**FIELD LIEUTENANT
ROBERT LAUDER**

**JAIL LIEUTENANT
KYLE VEESER**

The Door County Sheriff's Office is dedicated to the safety and welfare of all citizens and visitors. We are committed to partnering with the community to solve problems and improve public safety in a manner that is fair, transparent, and consistent.

GUIDING PRINCIPLES

Integrity - We are committed to the enforcement of laws and the preservation of order. We are honest, truthful, and consistent in our words and actions, and therefore worthy of the public's trust. We exercise discretion in a manner that is beyond reproach. We do not accept gifts or special considerations as a consequence of our office.

Professionalism - We treat the public and our colleagues with courtesy and respect. We understand that our appearance, words, and demeanor contribute to the public's confidence in us. We are responsive to the community, and deliver services promptly and efficiently.

Fairness - We act with fairness, restraint, and impartiality in carrying out our duties. We work with the community to continually understand and overcome cultural influences and unconscious biases. We understand that our actions, combined with the way we treat members of the community, contributes to our "legitimacy" in the eyes of the public.

Teamwork - We work together as one organization in carrying out the mission of the sheriff's office; our respective units do not act as distinct "silos" from one another. As individual members of the department, we are respectful to each other and work collectively to solve problems and serve the community.

PRE-TRIAL RELEASE MONITORING PROGRAM

The Door County Sheriff's Office began the Pretrial Release Monitoring Program in October 2018. The Pretrial Program helps address public safety concerns and reduce jail costs for pretrial defendants, while allowing individuals to maintain their employment and fulfill their family obligations.

A pretrial risk assessment (VPRAI-R) is completed on all individual booked into the Door County Jail on new charges. The risk assessment is designed to provide information about the risk of failure that a given defendant poses if released before adjudication on his/her case. Typically, failure is defined as fail to appear (FTA) for the scheduled court date and/or re-arrest for further criminal violations prior to adjudication.

An individual who spent 379 days on the alcohol monitoring program said :

"I support this program. I support it 100% and I would recommend more people go through it. If you take it seriously enough, you really do find the benefits and can learn to go through life sober."
